

Newsletter Donation Request

This is a friendly reminder that newsletter donations are due for the new spiritual year beginning October 22, 2015.

Because printing the mailing monthly newsletter involves hard costs for printing and postage, we ask every member who wants to receive it to contribute toward these costs. Our group is not large, and EVERY contribution is both important to us and received with gratitude.

We appreciate your continued support in the new spiritual year.

Sincerely,

Laura Lee-Olson
