What are the Light and Sound of God?

The Light and Sound, known as the ECK or Holy Spirit, flow out from the heart of God.

The Light purifies Soul. It helps us see our lives from a higher viewpoint. The Sound is always calling us home. It shows us the direction back to God.

With practice, we learn to recognize these twin aspects of God all around us. The Holy Spirit teaches us in the smallest details of our lives. The Spiritual Exercises of Eckankar help us open ourselves to the Light and Sound of God.

ABOUT ECKANKAR

Have you ever wondered about your dreams and their hidden messages? What about past lives and reincarnation? Do you believe conscious out-of-the-body travel is possible?

People today are wondering about the possibilities of a personal, uplifting relationship with spirit. Yet, few realize there are simple exercises (combining unique visualization practices, listening within, and special Soul Travel exercises) which can answer Life's deepest questions – and put us into contact with the Life Force Itself.

The ancient path of ECKANKAR is dedicated to teaching these unique spiritual exercises. Practiced twenty minutes each day, they can help you experience the Spirit of God first hand. It can come as unexpected, sparkling pinpoints of light or the often unnoticed inner sounds like the hum of high-tension wires, a gentle sweeping wind, or the mellow sound of a flute. Other people experience a feeling of Spirit in their dreams, or through intuitive hunches.

You're invited to find out more about ECKANKAR at any of the events described for the public by calling 1-800-LOVE-GOD.
